

Yellow heavy-duty PVC apron, for tough, durable protection from chemical splashes, grease and grime

- **Specialized protection:** Made from robust, flexible 20 mil PVC fabric, the AlphaTec® 56-300 heavy-duty apron guards against chemical splashes, grease, oil, and grime, while ensuring puncture and abrasion resistance
- **Enhanced defenses:** Designed with reinforced nylon backing, this protective apron delivers truly enhanced durability and personal protection
- **Optimized fit:** This PVC apron also features two-piece 48-inch ties and sealed grommets, allowing wearers to find a consistent, adjustable fit, without risk of tear-out

Industries

- Food Processing
- Life Sciences

Applications

- Packing of fillets and ground meat
- Canning
- Bottling
- Storing and transportation
- Equipment maintenance and repair
- Plant disinfection and sanitization
- Transferring liquids
