

TECHNICAL DATA SHEET

Polypropylene wipers pre-wetted with 70% isopropyl alcohol and sterilized

Description

Sterile PolySat® is constructed from a 100% melt-blown polypropylene substrate that is pre-wetted with 70% isopropyl alcohol and packaged in a resealable FlexPack. Each package is gamma irradiated to 10⁻⁶ Sterility Assurance Level to AAMI Guidelines.

Sterile PolySat® is used for alcohol wiping in sterile environments in pharmaceutical aseptic fill areas, biotechnology manufacturing facilities, microbiological laboratories, sterile suites and prep rooms.

Applications

- ▶ Designed for cleaning and polishing equipment and environmental surfaces during and following the production flow
- ▶ Ideal for easy cleanup of soiled surfaces
- ▶ Suitable for sterile wiping of production equipment requiring low solvent extractables and low particle generation

Features

- ▶ Gamma irradiated to 10⁻⁶ Sterility Assurance Level, according to AAMI Guidelines ensures sterility
- ▶ Lot-specific information on each shipment simplifies record keeping:
 - Certificate of Irradiation confirms radiation dosage,
 - Certification of Compliance, and
 - Expiration date marked on each package
- ▶ Pre-wetted with 70% isopropyl alcohol/30% deionized water, filtered through a 0.2µm filter
- ▶ 100% melt-blown polypropylene substrate
- ▶ Independent quality control audits for sterility assurance

Benefits

- ▶ Optimizes solution usage and reduces spill potential
- ▶ Eliminates problems associated with filtration, sterilization and mixing of alcohol and DI water
- ▶ Packaging permits alcohol wipedown of exterior bag before introduction into sterile suites
- ▶ Soft, versatile wiping substrate
- ▶ Assures quality of individual lots and sterility assurance through expiration date

Products

Number	Description	Packaging
TX3213	Sterile PolySat® 9" x 11" (23 cm x 28 cm) polypropylene wipers pre-wetted with 70% IPA	50 wipers/flexpack; 24 flexpacks/case
TX3216	Sterile PolySat® 9" x 11" (23 cm x 28 cm) polypropylene wipers pre-wetted with 70% IPA	20 wipers/flexpack; 24 flexpacks/case
