Cleanroom Mops
TexMop™

TECHNICAL DATA SHEET

Description

Texwipe® offers a complete line of mops. The TexMop™ is a flat mop ideal for cleaning surfaces such as ceilings, floors, walls and hard-to-reach areas. The wipers easily fit over the head permitting quick changes.

Available in a 8" head for use with 9" x 9" (23 cm x 23 cm) wipers and an 11" head for use with 12" x 12" (30 cm x 30 cm) wipers.

Features & Benefits

- Low profile, swivel head with lightweight handles enables easier cleaning.
- The TexStar Connector system adapter allows for replacement of wipers easily and frequently adhering to strict cleaning protocols.
- Stainless steel
- Can be used with Texwipe's complete line of TexMop™ Mop Handles
- Replacement pads and fasteners available.
- Texwipe's wipers provide the cleanest substrates available for cleaning walls, floors and ceilings.
- Lightweight, ergonomic, stable design

Applications

- Cleaning ceilings, floors, walls , isolators, hoods and other confined areas
- Applying and removing solutions and disinfectants

Cleanroom Environment

- ISO Class 3 – 8
- Class 1 – 100,000
- EU Grade A – D
